Dear Mr. John Doe,

Thank you for your donation!

In 1912, Girls Scouts founder Juliette “Daisy” Gordon Low challenged traditional thinking about girls. Her vision was to provide an opportunity for all girls to develop life and leadership skills in the context of fun and friendship.

Today, you are “bringing her promise to life” through your generous gift.

Your support helps provide girls with opportunities to develop self-esteem, enduring friendships and life-changing leadership skills. Through programs in STEM (science, technology, engineering, and math), the arts, healthy living, financial literacy, community service, and outdoor experiences, Girl Scouts learn to be leaders of themselves and for the community.

Please know that our team will be responsible stewards of your investment in the Girl Scouts mission. If you have any questions, please don't hesitate to contact us.

Yours in Girl Scouting,

Jennifer Bartkowski  
Chief Executive Officer
